**Mission:** Desotorow is an art gallery that fosters an awareness and appreciation of the arts by providing affordable exhibition space for emerging and professional artists and by offering educational outreach programming open to artists and the community.

**History:** Desotorow Gallery has developed a reputation over the years as one of the most unique galleries in Savannah, hosting weekly art shows and participating in Savannah's First Friday Gallery Hop. Located in the Starland Design District, Desotorow is one of several small businesses on De Soto Avenue. After operating as an artist co-op and music venue for a number of years, the space was picked up by a group of motivated and passionate students and has been fully operating since.

Our staff and volunteers are all working hard to keep Desotorow a fun, yet professional exhibition experience. The gallery's intention is to encourage emerging and professional artists to exhibit their work at an affordable cost. Desotorow also provides opportunities for artists to become involved in educational outreach activities such as artist lectures and workshops.

Desotorow incorporated in April 2008 as a nonprofit organization in the State of Georgia. We are currently in the process of filing as a 501(c)(3) arts organization. By doing so, the gallery will be able to achieve its mission on a grander scale, with greater sources of funding and through community support.

We wish to engage the community, challenge them to think differently about art and the world, and provide them with resources for continuing their artistic pursuits.
